

# GIRLS IN OCEAN SCIENCE SUMMER CAMP

**WHEN:** July 26th-30th, 9 AM to 12 PM

**WHERE:** Ocean First in Boulder, CO

**WHO:** Ages 9-14

**COST:** \$225

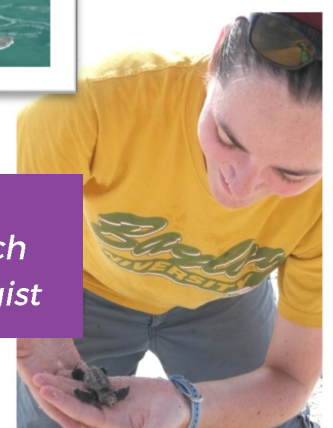

## LEARN, DISCOVER, EXPLORE

This exciting summer camp is dedicated to inspiring young girls interested in the sciences and our ocean. Camp members will get a chance to learn from female scientists in a series of engaging activities and discussions while learning about the ocean world, gaining hands-on research experience, and discovering how we can all make a positive difference for the environment. Our goal is to instill a sense of wonder and curiosity through interactive learning and fun!
