

OCEAN SCIENCE SUMMER CAMP

WHEN: July 17th -21st, 9 AM to 12 PM

WHO: Ages 9-14

WHERE: Ocean First in Boulder, CO

COST: \$225

LEARN, DISCOVER, EXPLORE

Ocean First Institute offers a unique camp for hands-on, marine adventure, right in the mountains of Colorado! In this marine science summer camp, you will learn about the interconnectedness of our ocean, the coastal environment, and rivers and watersheds, through a variety of engaging activities and interactive lessons led by our staff scientists. Our camp fosters curiosity and creativity, providing you with opportunities to explore, discover, and value our marine habitats!
